

WEBSITE PRIVACY POLICY

This Privacy Policy applies to all personal information collected by Norwood Compounding (**we, us or our**) via the website located at norwoodcompounding.com.au (**Website**).

1. What information do we collect?

The kind of Personal Information that we collect from you will depend on how you use the website. The Personal Information which we collect and hold about you may include:

- Personal identification details (e.g., name, contact information)
- Health information relevant to your prescriptions or compounding services
- Payment information
- Purchase history and preferences
- Contact details for customer service purposes

2. Types of information

The Privacy Act 1998 (Cth) (Privacy Act) defines types of information, including Personal Information and Sensitive Information.

Personal Information means information or an opinion about an identified individual or an individual who is reasonably identifiable:

- (a) whether the information or opinion is true or not; and
- (b) (ii) whether the information or opinion is recorded in a material form or not.

If the information does not disclose your identity or enable your identity to be ascertained, it will in most cases not be classified as “Personal Information” and will not be subject to this privacy policy.

Sensitive Information is defined in the Privacy Act as including information or opinion about such things as an individual's racial or ethnic origin, political opinions, membership of a political association, religious or philosophical beliefs, membership of a trade union or other professional body, criminal record or health information.

Sensitive Information will be used by us only:

- (a) for the primary purpose for which it was obtained;
- (b) for a secondary purpose that is directly related to the primary purpose; and
- (c) with your consent or where required or authorised by law.

3. How we collect your Personal Information

- (a) We may collect Personal Information from you whenever you input such information into the Website, related app or provide it to us in any other way.

- (b) We may also collect cookies from your computer which enable us to tell when you use the Website and also to help customise your Website experience. As a general rule, however,

it is not possible to identify you personally from our use of cookies.
- (c) We use different types of cookies including essential cookies for Website functionality, analytical cookies to improve user experience, and marketing cookies that may be set by third parties. Third-party cookies are subject to their respective privacy policies, which we encourage you to review.
- (d) We generally don't collect Sensitive Information, but when we do, we will comply with the preceding paragraph.
- (e) Where reasonable and practicable we collect your Personal Information from you only. However, sometimes we may be given information from a third party, in cases like this we will take steps to make you aware of the information that was provided by a third party.

4. Purpose of collection

We use the personal information we collect for various purposes, including but not limited to:

- Fulfilling orders and providing services
- Communicating with you about your orders, medications, or services
- Processing payments and managing customer accounts
- Sending promotional materials and updates, if you have opted in to receive them
- Improving our services and customer experience
- Complying with legal or regulatory requirements

5. Sharing of Personal Information

- (a) We will not share your personal information with third parties except in the following circumstances:
 - With trusted service providers who assist us in operating our business, such as payment processors and delivery services
 - If required by law, regulation, or legal process, or to protect the rights, property, or safety of Norwood Compounding, our customers, or others
 - If you have provided consent for us to share your information for a specific purpose
- (b) By using our Website, you consent to the receipt of direct marketing material. We will only use your Personal Information for this purpose if we have collected such information direct from you, and if it is material of a type which you would reasonably expect to receive from use. We do not use sensitive Personal Information in direct marketing activity. Our direct marketing material will include a simple means by which you can request not to receive further communications of this nature, such as an unsubscribe button link.

6. Security, Access and correction

- (a) We store your Personal Information in a way that reasonably protects it from unauthorised access, misuse, modification or disclosure. When we no longer require your Personal Information for the purpose for which we obtained it, we will take reasonable steps to destroy and anonymise or de-identify it. Most of the Personal Information that is stored in our client files and records will be kept for a maximum of ten years to fulfill our record keeping obligations.

We implement industry-standard security measures including encryption, access controls, and secure data centers to protect your Personal Information. When deletion is required, we use secure erasure methods including digital shredding and physical destruction of storage media.

- (b) The Australian Privacy Principles:
- (i) permit you to obtain access to the Personal Information we hold about you in certain circumstances (Australian Privacy Principle 12); and
 - (ii) allow you to correct inaccurate Personal Information subject to certain exceptions (Australian Privacy Principle 13).
- (c) Where you would like to obtain such access, please contact us in writing on the contact details set out at the bottom of this privacy policy.

7. Complaint procedure

If you have a complaint concerning the manner in which we maintain the privacy of your Personal Information, please contact us as on the contact details set out at the bottom of this policy.

All complaints will be considered by Lenny Tran, and we may seek further information from you to clarify your concerns.

If we agree that your complaint is well founded, we will, in consultation with you, take appropriate steps to rectify the problem. If you remain dissatisfied with the outcome, you may refer the matter to the Office of the Australian Information Commissioner.

8. How to contact us about privacy
